This is a free fitting service and discounts available for clubs ordered on the fitting day. Contact Mike for more details.

Rules of Golf Seminar- Tuesday, March 22nd starting at 6:00pm. The West Virginia Golf Association is hosting a free rules of golf seminar open to our membership. This is a great way to brush up on the rules and maybe learn something new! Reservations are not required.

Men's Lockers- If you are interested in having a locker for the 2022 season, please let the golf shop know. The fee is \$100 annually. If you currently have a locker and no longer want one, please inform the golf shop before the end of February, return keys and remove your items so that you are not billed.

Bag Storage- Tired of lugging your clubs around in your car? Let us take care of it for you. We will keep your clubs clean and ready to go when you arrive to play or practice. The fee for bag storage is \$120. If you currently have your clubs stored with us and no longer wish to have bag storage please let the golf shop know by the end of the month.

Grips are in Stock!!- The golf shop is fully stocked with grips from Golf Pride, Winn, Lamkin and many more. Don't wait until spring to replace those slick and worn out grips. Having new grips is one of the easiest ways to improve your ball striking. Worn out grips cause increased grip pressure which is a killer in golf.

Please excuse our mess as we are making some improvements and upgrades in the Golf Shop during the month of February. If you are trying to call the golf shop and are unable to get through, please call Christine in the Office until we are back up and running!

A Note from the Pro Shop

Happy New Year Everyone!! Our staff has been working hard to prepare for the upcoming golf season. As we go into the new year, we will have a new face joining our team many of you may already know. Anthony Burnside. Anthony has experience in the golf industry previously working at Pete Dye Golf Club for 10 years before making a career change. He is very excited to get back into the golf business and join our golf professional staff alongside myself and Randy Hernly. Please give him a warm welcome to our club when you see him around.

As you will notice in the tournament schedule, we have an exciting line up of events planned and some new tournaments for 2022. Our Junior Golf Program will kick off in April with our Spring Clinics and PGA Junior League team. Our Ladies' Clinics will begin in May. There will also be additional opportunities for clinics throughout the season. Our professional staff is always here and available to help you with your golf game as well.

We have several free demo days scheduled this Spring for you to try out the newest golf equipment. Please keep us in mind for all your golfing needs for 2022. We have accounts and demo clubs from all the major companies including Titleist, Taylormade, Cobra, Ping and more and offer club fitting services to ensure you have the equipment that is right for you!

This month we have a demo day scheduled on the golf simulator with Mizuno on February 23rd starting at 4:00pm. In March we have a Rules of Golf Seminar hosted by the WVGA. This is free to attend and a great way to brush up on the rules.

It is our pleasure to serve you and we are looking forward to making 2022 a memorable year at BCC. Keep an eye out for monthly tips from our golf professionals in future newsletters. We are here to help you have more fun playing this great game of golf!! Thank you for your membership and support.
