Men's Golf Association

The MGA is a tournament association for Men's Golf here at the Club. At the end of the season awards are given for Player of the Year and Most Improved Golfer. A Point System determines the Player of the Year race and points are earned through participation in Club Events and Men's Nights. At the end of the season, after the President's Cup, the top 20 on the points list qualify for the MGA Shootout.

The MGA provides meals on Men's Night after golf and every year makes purchases to improve the golf course. The MGA also provides funding to enhance our tournaments and membership experience.

To be eligible to participate in a tournament you must be a member of the MGA (excluding Memorial Day Shamble, Parent-Child, Pick Your "4" and Greenskeeper's Revenge). Ladies' events do not require membership in the MGA and are ran by the Women's Golf Association at BCC. Certain events require an active handicap at Bridgeport Country Club. The golf staff will post tournament scores for all events in which score posting is appropriate. The fee for MGA Dues is \$100 annually which includes your handicap fee and will be billed to your membership account.
