Rules of Golf Seminar- Wednesday, March 15nd starting at 6:00pm. The West Virginia Golf Association is hosting a free rules of golf seminar open to our membership. This is a great way to brush up on the rules and maybe learn something new! Reservations are not required.

Men's Lockers- If you are interested in having a locker for the 2023 season, please let the golf shop know. The fee is \$100 annually. If you currently have a locker and no longer want one, please inform the golf shop before the end of February, return keys and remove your items so that you are not billed.

Bag Storage- Tired of lugging your clubs around in your car? Let us take care of it for you. We will keep your clubs clean and ready to go when you arrive to play or practice. The fee for bag storage is \$120. If you currently have your clubs stored with us and no longer wish to have bag storage, please let the golf shop know by the end of the month.

Grips are in Stock!!- The golf shop is fully stocked with grips from Golf Pride, Winn, Lamkin and many more. Don't wait until spring to replace those slick and worn out grips. Having new grips is one of the easiest ways to improve your ball striking. Worn out grips cause increased grip pressure which is a killer in golf.

A Note from the Pro Shop

Happy New Year Everyone!! Our staff is back from the PGA Show and preparing for another great year here at BCC! As we go into the new year, we will have a new face joining our team in the pro shop, Andrew Richards. Andrew is a PGA Professional with over 10 years experience in the golf business. Originally from Harrison County, he is excited to continue his career back home in WV. His most recent job was in Savannah, Georgia at The Club at Savannah Harbour where he was the First Assistant/Tournament Coordinator. Please give him a warm welcome to our club when you see him around.

As you will notice in the tournament schedule, we have an exciting line up of events planned for 2023. Our Junior Golf Program will kick off in April with our Spring Clinics and PGA Junior League team in early May. Our Ladies' Golf Program will begin in May with clinics, cocktails and on-course instruction. Our professional staff is always here and available to help you with your golf game.

We have several free demo days scheduled this Spring for you to try out the newest golf equipment. Please keep us in mind for all your golfing needs for 2023. We have accounts and demo clubs from all the major companies including Titleist, TaylorMade, Cobra, Ping and more and offer club fitting services to ensure you have the equipment that is right for you!

This month we have a demo day scheduled on the golf simulator with Mizuno on February 15th starting at 4:00pm. On March 15th at 6:00pm we have a Rules of Golf Seminar hosted by the WVGA. This is free to attend and a great way to brush up on the rules.

It is our pleasure to serve you and we are looking forward to making 2023 a memorable year at BCC. Keep an eye out for monthly tips from our golf professionals in future newsletters. We are here to help you have more fun playing this great game of golf!! Thank you for your membership and support.
