**Men's Lockers**- If you are interested in having a locker for the 2025 season, please let the golf shop know. The fee is \$100 annually. If you currently have a locker and no longer want one, please inform the golf shop before the end of February, return keys and remove your items so that you are not billed.

**Bag Storage**- Tired of lugging your clubs around in your car? Let us take care of it for you. We will keep your clubs clean and ready to go when you arrive to play or practice. The fee for bag storage is \$125. If you currently have your clubs stored with us and no longer wish to have bag storage, please let the golf shop know by the end of the month.

**Grips are in Stock!** - The golf shop is fully stocked with grips from Golf Pride, Winn, Lamkin and many more. Don't wait until spring to replace those slick and worn out grips. Having new grips is one of the easiest ways to improve your ball striking. Worn out grips cause increased grip pressure which is a killer in golf.

## A Note from the Pro Shop

Spring time is almost here and the golf staff is eagerly awaiting the start of another exciting golf season. As you will notice in the tournament schedule, we have an exciting line up of events planned for 2025. New for 2025 we are introducing monthly Ladies' Night golf events and a Couples Golf Night. We hope to grow participation throughout all our events and also have several clinics specifically designed for beginners.

Signups are available for our Spring Junior Golf Clinics which start in April and continue thru early May. PGA Junior League registration is also now open. This is our summer program and is open to youth of all experience levels. This is the perfect opportunity to get a junior into the game of golf!

Speaking of junior golf we have a new and exciting event on the schedule for 2025! The American Junior Golf Association (AJGA) is coming to BCC in July. The event which is titled the WVU Medicine United Hospital Center Junior Championship will be played from July 13<sup>th</sup>-July 17<sup>th</sup>. These events are played all over the country and we have the only event in West Virginia. For those of you not familiar with the AJGA, it is the highest level of junior golf and will bring golfers from several states and other countries. We will also be able to support local WV kids through a qualifier and host facility sponsor exemptions. I encourage our members to get involved either by spectating, volunteering or through sponsorship. Additional money raised from the event goes to the AJGA Junior Golf Scholarship Fund and local charities within our community.

If you need new clubs this year, you've come to the right place! We have several free demo days scheduled this Spring for you to try out the newest golf equipment. Please keep us in mind for all your golfing needs for 2025. We have accounts and demo clubs from all the major companies including Titleist, TaylorMade, Cobra, Ping, Mizuno and more and offer club fitting services to ensure you have the equipment that is right for you!

It is our pleasure to serve you and we are looking forward to making 2025 a memorable year at BCC. Keep an eye out for monthly tips from our golf professionals in future newsletters. We are here to help you have more fun playing this great game of golf! WE LOVE THIS GAME!

Thank you for your membership and support.

Best Regards,

Michael Gervais, PGA  
Head Golf Professional
