DEAR PROSPECTIVE MEMEBRS,

Thank you for your interest in Bridgeport Country Club. To help assist you in your consideration of joining our club family we are providing information regarding the different membership options to help you select the one that is right for you. The application is attached and available on-line if you are more comfortable with that format.

The club's origin dates back to 1956. The course was the design of James Harrison an understudy of Donald Ross. The course has maintained a traditional design over of the years as improvements have been made to keep up with modern golf. Our championship golf course is both challenging to the skilled golfers and friendly to the novice with 4 sets of tees to accommodate different skill levels.

In addition to the course, Bridgeport Country Club has practice facilities to hone your game including a long range, chipping green & practice green. Our pro shop offers clubs and accessories along with the latest in golf attire. Lessons are available through our golf professional, as well as junior golf camps and clinics. We have regular golf leagues for men and women, along with many long-standing games which provide new members a great opportunity to meet current golfing members.

While golf is the center of attention at Bridgeport Country Club, our days always end in the restaurant or patio. The club is a social hotspot and you will quickly find that the members are very friendly and welcoming. In addition to the golf and restaurant, the club offers a swimming pool complex with food & drinks, 2 tennis courts & 2 pickleball courts. The club has competitive youth swim team that is open to members.

If you have any questions you may call at any time or stop by the club. We will be glad to give you a tour of our facilities and an orientation of our membership options.

We look forward to you joining us and making Bridgeport Country Club your club too!

Sincerely,

The Board of Directors, Members & Staff at Bridgeport Country Club
